*Terms & Conditions apply.

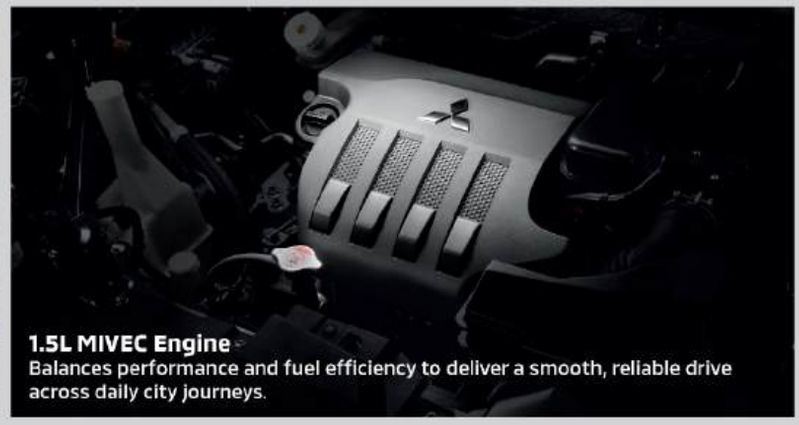

Active Yaw Control
Provides smoother cornering and improved stability by managing wheel torque across both sides.

BEST IN CLASS **High Ground Clearance**
Makes it easier to drive over rough surfaces, bumps, and uneven road conditions.

Fuel Efficiency
Delivers up to 750 km of driving range on a single full tank*.

1.5L MIVEC Engine
Balances performance and fuel efficiency to deliver a smooth, reliable drive across daily city journeys.

BEST IN CLASS **8-step Reclining Rear Seats**
Lets passengers adjust seat angle for personalised comfort on every ride.

Dual-Zone Air-Conditioning System Paired with nanoe™ X
Fresher, cleaner air for every drive.

Power Steering
Smooth, responsive steering for easier handling and confident manoeuvring.

Driver Knee Air Vent
Directs cool air toward the driver's lower body for added comfort.

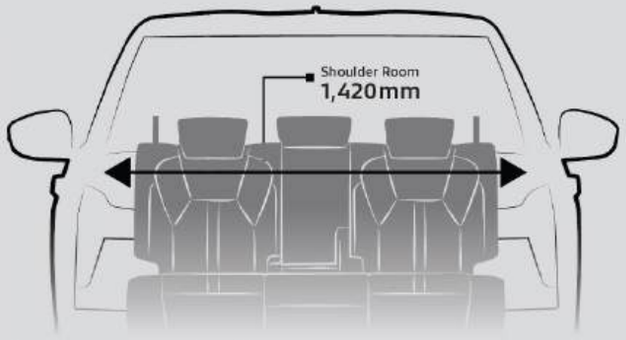

Anti-Heat Leatherette Seats
Engineered to reduce heat build-up, keeping seating surfaces cooler.

TOTAL CABIN COMFORT

A spacious interior architecture engineered for optimal relaxation and long-journey support.

Visuals shown are for illustration purposes only. Specifications may vary according to variant/market. Please consult your local Mitsubishi Motors dealer for more information.

Spacious Rear Shoulder Room
Generous shoulder space lets rear passengers sit comfortably without feeling crowded.

12.3" Display Audio with Wireless Apple CarPlay and Android Auto
A large, intuitive screen with wireless smartphone connectivity for easy access to apps and navigation.

Dynamic Sound Yamaha Premium
Feature selectable sound types:
Lively, Signature, Powerful, Relaxing.

Wireless Charger
Charge your devices effortlessly without cables while on the go.

MORE SPACE WHERE YOU NEED IT

With 24 thoughtfully placed storage compartments the Xforce keeps everything, organised, within reach, and ready for every journey.

Centre Cooler Box
Keeps your drinks and refreshments cool for a more enjoyable journey.

PROTECTION THAT MAKES DRIVING EASIER

Smart safety systems and all-round visibility work together to protect you while making every drive feel more effortless.

MITSUBISHI MOTORS SAFETY SENSING (ADAS)

A suite of technologies that help protect you and reduce driving stress.

Adaptive Cruise Control (ACC)
Maintains a set speed while automatically adjusting distance from the vehicle ahead.

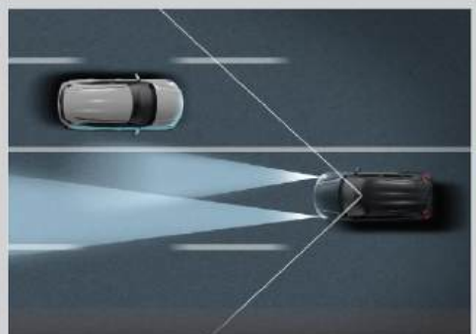

Forward Collision Mitigation (FCM)
Helps detect potential collisions and applies braking to reduce or avoid impact.

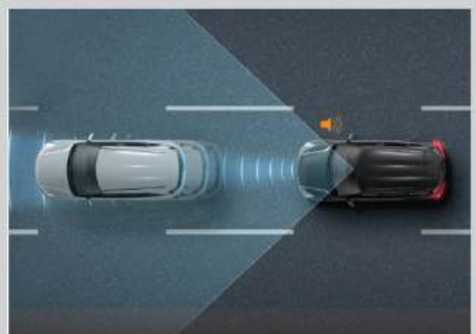

Rear Cross Traffic Alert (RCTA)
Warns you of approaching vehicles when reversing out of parking spaces.

Blind Spot Warning (BSW) / Lane Change Alert (LCA)
Alerts you when vehicles are detected in your blind spots while driving.

Auto High Beam (AHB)
Automatically switches between high and low beams to improve night-time visibility.

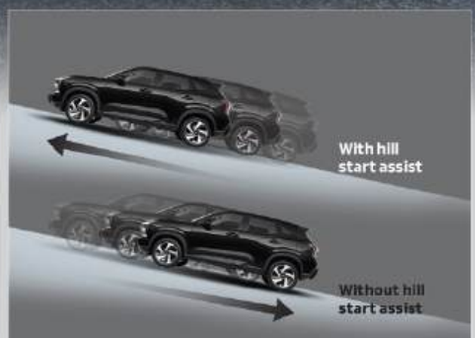

Lead Car Departure Notification (LCDN)
Notifies you when the vehicle ahead begins moving in traffic.

MITSUBISHI XFORCE

*Mitsubishi Motors Malaysia Authorised Dealer Package

SRS Airbags
Dual Front, Side and Curtain – A total of 6 airbags to shield drivers and passengers in the event of an impact.

Hill Start Assist (HSA)
Prevents the car from sliding back when starting on a steep incline.

All Round Monitor with Front & Rear Sensors*
Provides a 360° view with sensors to assist in parking safely.

Electric Parking Brake with Brake Auto Hold
Maintain safety effortlessly with smart braking technology.

Active Stability Control
Uses sensor data to analyze vehicle movement and slippage, and automatically adjust engine power and braking force to maintain stable handling, particularly in slippery conditions.
